LITTLE CANADA

EXPERIENCE THE **WONDER** OF CANADA IN MINIATURE

LITTLE LESSONS

Explore **BIG** ideas through Little Lessons tailored to students from Grade 1 through 12.

Teachers, bring your students to Little Canada where their natural wonder and curiosity will help them learn about our land, our country, and their place in it. We offer a variety of programs developed by educators, with direct links to the Ontario Curriculum.

CONTACT GROUPEVENTS@LITTLE-CANADA.CA OR VISIT LITTLE-CANADA.CA

Are we there yet?

Ontario's Field Trip Planner for Educators

Attractions Ontario's Are We There Yet? Field Trip Planner was developed in consultation with the Student Youth Travel Association, Ontario Motor Coach Association, tour operators focusing on the student travel market, retired teachers, and School Board representatives. This province-wide publication is designed to present quality, curriculum-based educational programs to teachers and youth group leaders across Ontario.

Centreville Amusement Park & Far Enough Farm

Established in 1959, Far Enough Farm, has access to over 40 different species of farmyard animals and exotic birds. Students are guided around the farm and given hands-on learning about the animals, different species, life cycles and biodiversity. Your visit can be tailored and connected to suit any curriculum.

The amusement park caters to younger children aged 3-12, with over 30 rides, amusements, and food outlets. Children can celebrate and play together in a park with over 55 years of providing a space where it is great to be a kid.

Little Canada | Little Lessons

We have been building Little Canada in miniature for the past ten years and continue to build!

School trips to Little Canada involve visits to our completed miniature Destinations, within which we draw connections to the Ontario curriculum in science, technology, engineering, math, social studies, geography, history, and art. While they are here, students can also interact with many of our artists, engineers, and Destination experts. For more information, please email us to request our Curriculum Connections document for students from grades 1 to 12, as well as a Teacher Guide and pricing.

We understand the importance of field trips in enhancing classroom learning and we want you to be certain of the value of your excursion. To do this, it is our pleasure to offer all educators complimentary admission to Little Canada to be used any time during the 2022-23 school year. To redeem this offer, please email groupevents@little-canada.ca from your school email, including your school's name. We truly believe that Little Canada is a great place to learn about our incredible country!

Disney Animation: Immersive Experience

Disney Animation: Immersive Experience is an innovative celebration that takes you inside the greatest films of Walt Disney Animation Studios, from their very earliest, groundbreaking features to the beloved hit movies of today.

Imagine stepping into the Casita with Mirabel from Encanto, being at Pride Rock as Rafiki presents Simba – surrounded by the animal kingdom as the sun rises. Imagine hopping on a train with Judy Hopps and going into Zootopia or taking a magic carpet ride with Aladdin and Jasmine, and so much more....

Now you can! Step into the art and legacy of Walt Disney Animation Studios and celebrate the music, artistry and animation from the creators of Frozen, The Little Mermaid, Big Hero 6 and many more.

McMichael Canadian Art Collection

McMichael
CANADIAN ART COLLECTION D'ART CANADIEN

An Agency of the Government of Ontario

The McMichael's educational programming is based on student-centred dialogue that advances visual literacy, deepens critical and creative thinking, and invites students to bring their own perspective to the art objects they encounter. All conversations and artmaking workshops are designed to develop attitudes, values and skills that nurture growth and well-being and to promote inclusive and active community engagement. The McMichael's proposed learning experiences can be applied across the curriculum and address the Ministry of Education's expectations for each grade level.

Medieval Times Dinner & Tournament

Medieval Times
DINNER & TOURNAMENT

HISTORICAL & EDUCATIONAL PERFORMANCES

Imagine a history lesson presented by a Queen and Her Noble Court, set within the walls of an 11th century castle. Students journey back to the middle ages and witness spectacular horsemanship, amazing swordplay, medieval games of skill and an authentic jousting tournament between six brave knights of the realm. As the tournament unfolds, the castle's serfs and wenches serve your students a feast fit for a Queen! The historical matinee program includes a 30 minute seminar, bird of prey demonstration and meet & greet with the cast after the show.

Enhance your students' classroom curriculum with a memorable and interactive experience for students of all ages. SHSM programming and evening performances also available.

Menu accommodations available including all dietary/allergy needs as well vegetarian, halal and kosher.

Toronto Symphony Orchestra

SCHOOL CONCERTS

Orchestral music is for everyone.

Our aim is to share the power of a live orchestra with as many young people as possible, through one of the largest music education programs in Canada.

Why make a trip to the TSO?

- **Unforgettable experience:** Hearing a live orchestra gives students a new appreciation for all forms of music in life.
- **Unmatched resources:** Our programs are designed to help support the teaching of the Ontario Music Curriculum.
- **Unparalleled value:** You'll experience orchestral music at a fraction of the cost, thanks to generous donors who recognize the importance of music education.

THEMUSEUM OFFERS ENGAGING STEAM PROGRAMMING FOR JK/SK-GRADE 12 WITH 20+ PERMANENT, MAKER AND THEMED PROGRAMS.

The
Underground
Studio
MakerSpace

ABOUT THE UNDERGROUND STUDIO MAKERSPACE

Our MakerSpace is a hands-on learning environment for children and youth to explore the fields of S.T.E.A.M. We provide access to the tools and techniques required to shape the creators, inventors and thinkers of tomorrow!

Reduce, Reuse, Upcycle!

Let's give plastic bags a second life as something more sustainable! Students will learn about the effects that plastic bags have on the environment and make their own reusable tote bag.

Protecting Pollinators

What's all the buzz about? From bees and bats, to birds and beetles, explore the world of pollinators and discover their vital importance to our ecosystem. Students will learn how to make a bee-friendly watering dish to take home to help protect pollinators in their own backyards!

Indigenous Intersections

March 27 -
March 30, 2023

Students will have the unique opportunity to learn about the traditions and culture of Indigenous communities through a variety of interactive and engaging workshops.

For more information about all our education programs, and to book online, visit THEMUSEUM.ca.

Three Sisters Cultural Centre

ARTISTIC TOUR OF THE GRAND RIVER

Engage in the Grand River Watershed's history through Jax Rula's artistic doll exhibition, A Grand Fabrication: Truth Tales and Art of a Heritage River. With an interactive presentation, students learn about the land we live on and interconnectedness with its people. Situated in St. Jacobs Village, Three Sisters is a new cultural centre from which to experience and learn the rich history and culture of Southern Ontario.

Add-on: Apply learning through an arts workshop conducted by Jax Rula. Students will be taken through the process of artistic expression and given the means to present a piece of their history.

EXPLORE. CREATE. DISCOVER. INNOVATE.

Treat your class to a guided tour at the Niagara Parks Power Station! Your students will learn in-depth how this hydroelectric power generating station harnessed the powerful energy of the Horseshoe Falls and turned it into a great source of electricity for over a century. This hands-on experience features restored artifacts, immersive exhibits and interactive storytelling.

FOR MORE INFORMATION VISIT [NIAGARAPARKS.COM/STEM](https://niagaraparks.com/stem)

Niagara Parks Power Station

The Niagara Parks Power Station is full of lessons covering topics ranging from STEM to geography and history, including the fierce rivalry between engineering visionaries Thomas Edison and Nikola Tesla.

Your students will learn in-depth how engineers harnessed the powerful energy of Niagara Falls and turned it into a great source of electricity for over a century.

New in 2022, The Tunnel experience provides students with the opportunity to experience the vast engineering wonders below the generator floor as they conclude their journey at a spectacular new viewing platform featuring panoramic views of the Horseshoe and American Falls.

Kivi Park Community Foundation

Kivi Park is a unique not-for-profit offering over 480 acres of land to be explored and enjoyed in Sudbury. The 60+ km network of trails is expertly maintained year-round for activities like hiking, mountain biking, fat biking, snowshoeing, and both classic cross-country skiing and skate skiing. The park can be explored by water at Crowley Lake where canoe, kayak, and SUP rentals are available. And the magic of Kivi at night is found at Nina's Way skate path, a lit-up winding path through Kivi's forest. Offering a wide variety of activities for any season, Kivi Park is a destination for the entire family.
